About Us.

We are a Marine-support servicing and logistics company based in Lagos, established for strategic support and partnership with marine companies and FMCGs in enabling them achieve their supply, transportation and distribution needs efficiently and affordably.

We pride in proficient ship chandlery, logistics and distribution services and believe we can cut down on your distribution cost significantly while distributing your goods efficiently. We pride in the expertise of our amazing team with over a decade experience in technical/operational marine solutions, haulage and logistics and a strong network of 3pl partners nationwide to serve you professionally.

Our Mission

We are an indigenous company committed to providing unraveled level of proficiency in marine support services and logistics solution to marine companies and FMCGs in Nigeria and West Africa, through Client's satisfaction, dedicated workforce, network of reliable partners, innovative technologies and strategies.
